

Augustana University College

Augustana University College offers 3- and 4-year BA and BSc degree programs, as well as 4-year BMgt and BMus programs. As a service to students who may seek to transfer to a degree program at another institution in Alberta, Augustana is formalizing agreements with those institutions on a course-by-course basis. In addition to the courses listed below, the College offers other courses as part of its degree programs which ordinarily will be assessed on an individual basis by the receiving institution.
